

## How Can I Keep From Singing

Chris Tomlin

There is an endless song, echoes in my soul  
I hear the music ring  
And though the storms may come, I am holding on  
To the rock I cling

How can I keep from singing Your praise  
How can I ever say enough, how amazing is Your love  
How can I keep from shouting Your name  
I know I am loved by the King, and it makes my heart want to sing

I will lift my eyes in the darkest night  
For I know my Savior lives  
And I will walk with You, knowing You'll see me through  
And sing the songs You give

How can I keep from singing Your praise  
How can I ever say enough, how amazing is Your love  
How can I keep from shouting Your name  
I know I am loved by the King, and it makes my heart want to sing

I can sing in the troubled times, sing when I win  
I can sing when I lose my step and fall down again  
I can sing 'cause You pick me up, sing 'cause You're there  
I can sing 'cause You hear me, Lord, when I call to You in prayer  
I can sing with my last breath, sing for I know  
That I'll sing with the angels and the saints around the throne

How can I keep from singing Your praise  
How can I ever say enough, how amazing is Your love  
How can I keep from shouting Your name  
I know I am loved by the King, and it makes my heart...  
I know I am loved by the King, and it makes my heart...  
I know I am loved by the King, and it makes my heart want to sing

## Thank You Jesus

Sidewalk Prophets

Not sure I want to open my eyes  
Every time I do they start to cry a little more each day  
Just outside your hospital room  
The birds are singing and the sky is blue  
In here, life's not ok

Wish it was me  
How do you make it through the day?  
Then I see you fold your hands and pray

Thank you, Jesus  
For every breath I take  
Thank you, Jesus  
Even when my heart aches  
Cause I was made to bring You all my praise  
Even in my darkest days  
Nothing changes how deeply I am loved  
Thank you, Jesus

It's ok to be scared they say  
Cause you gotta be scared before you're brave  
But it's hard when it feels like this  
I try to be as strong as I can  
I'd trade the world just to hold your hand  
And heal the pain you're in

Then you smile at me  
I feel a peace words can't explain  
Tonight there's just one thing to say

Thank you, Jesus  
For every breath I take  
Thank you, Jesus  
Even when my heart aches  
Cause I was made to bring You all my praise  
Even in my darkest days  
Nothing changes how deeply I am loved  
Thank you, Jesus

You're showing me  
No matter what there is a way  
Tonight there's just one thing to say

Thank you, Jesus  
For every breath I take  
Thank you, Jesus  
Even when my heart aches  
Cause I was made to bring You all my praise  
Even in my darkest days  
Nothing changes how deeply I am loved  
Thank you, Jesus

Thank you, Jesus  
Thank you, Jesus  
Nothing is ever gonna change your love for me  
Thank you, Jesus

## Get Together

The Youngbloods

Love is but a song we sing  
Fear's the way we die  
You can make the mountains ring  
Or make the angels cry  
Though the bird is on the wing  
And you may not know why

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Some may come and some may go  
He will surely pass  
When the one that left us here  
Returns for us at last  
We are but a moment's sunlight  
Fading in the grass

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

If you hear the song I sing  
You will understand, listen  
You hold the key to love and fear  
All in your trembling hand  
Just one key unlocks them both  
It's there at your command

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Come on, people now  
Smile on your brother  
Everybody get together  
Try to love one another right now

Right now  
Right now

## O How I Love Jesus

1. There is a name I love to hear, I love to sing its worth;  
 2. It tells me of a Sav-ior's love, who died to set me free;  
 3. It tells of one whose lov-ing heart can feel my deep-est woe;

it sounds like mu-sic in my ear, the sweet-est name on earth.  
 it tells me of his pre-cious blood, the sin-ner's per-fect plea.  
 who in each sor-row bears a part that none can bear be-low.

*Refrain*

O how I love Je - sus, O how I love Je - sus,

O how I love Je - sus, be - cause he first loved me!
